UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

---

UNITED STATES OF AMERICA,

Plaintiff,

Case No. 1:14-pt-00018

v.

Honorable Paul L. Maloney

JONATHAN PETER CHRISTY,

Defendant.

---

**REPORT AND RECOMMENDATION**

Defendant appeared before me with counsel on February 12, 2018, for an initial appearance on the petition for warrant or summons for offender under supervision. As a condition of defendant's release pending his final revocation hearing before the Honorable Paul L. Maloney, I asked defendant if he would agree to the following modification to his supervised release:

**Defendant must not access or possess any computer, or computer-related devices, other electronic communication, data storage devices or media in any manner or for any purpose.**

The defendant and his attorney both consented on the record to the modification.

For the reasons stated on the record, I recommend that the Court enter an Order modifying defendant's conditions of supervision as stated above. It is further recommended that this Report & Recommendation be adopted immediately, subject to change should any timely objections be filed.

Date: February 14, 2018
